

**Union Marine Management Services Pte Ltd** congratulates MX Bulk Management for their latest new building and is pleased to announce the takeover of MV Isabella Manx on the 21<sup>st</sup> August 2019 from Tsuneishi Heavy Industries Zhoushan China. The vessel is a Tess 64 type Bulk Carrier with a DWT of 63878 MT .

Isabella Manx joins the fleet making her the 4<sup>th</sup> MX bulk vessel under our current management which includes two of her existing sister ships Mona Manx and Scarlett Manx in the TESS 64 class. She was taken over from the yard by our able team of seafarers led by Capt Leo Dela Cruz and CE Jilson Reterba. She is currently at her maiden voyage to load grain from Vancouver, Canada.

We wish her safe sailings and welcome her to our family.
