

Union Marine Management Services Pte Ltd

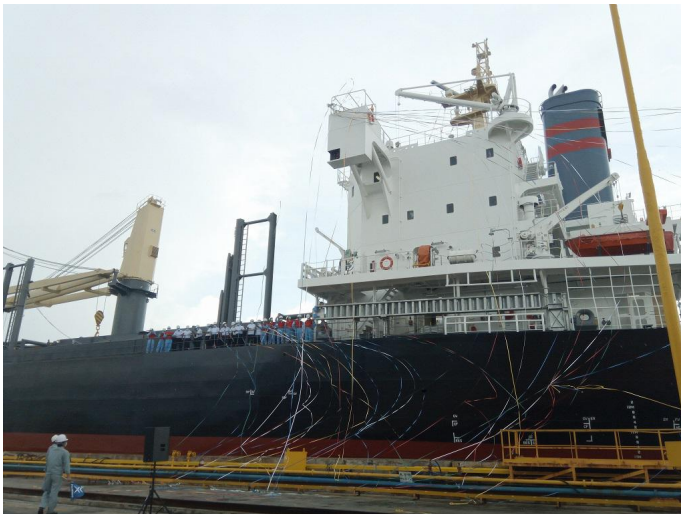

September 30th 2020

Union Marine Management Services, UMMS, congratulates Orix Maritime for their latest new building and is pleased to announce the take over of M.V. Lilac Harmony under its management.

The vessel is a Bulk Carrier of the type TESS38 built at Tsuneishi Heavy Industries shipyard in Cebu, Philippines. She is registered under the Liberian Flag.

M.V. Lilac Harmony is a sister vessel to Cosmos Harmony, Dahlia Harmony, Iris Harmony and Rose Harmony, all under management of UMMS. She is adding to the number of vessels that we are proud to have successfully taken over in these difficult times.

We thank the shipyard and the owners for strong support throughout the process. We also thank our staff ashore and especially the crew who have faced several hardships to show their courage and dedication to take over the vessel safely.

We welcome her to our family and wish her and crew onboard safe sailings and good health.

Together we sail...
